St. John Center for Homeless Men, 700 E. Muhammad Ali Blvd. - St. John Center is a daytime shelter for homeless adults providing mental health and social services, medical and dental services, and an alcohol and drug rehabilitation program. The center is celebrating its 30th Anniversary. Persons are needed to give generously to create a hopeful environment for those suffering the instability and disorientation of homelessness. House of Ruth does this by housing people infected or affected by HIV/AIDS, as well as providing financial assistance for TARC tickets, rental security deposits, moving expenses, and uniforms and supplies needed for work and school. House of Ruth also offers individualized case management, crisis intervention, educational workshops, social gatherings, and children’s activities.

*Headed up by our **Compassion Group**, the Cathedral supports this ministry through our Fifth Sunday Collection of toiletries and cleaning supplies for those served at House of Ruth.*

Faithful Citizenship

Legislative & Public Affairs - Responding to our call to be faithful citizens, we learn about and develop action plans regarding issues of social justice. We work with local, state, and national public officials and educate the parish and public about community issues. We work with Catholic Charities and the Catholic Conference of Kentucky to publicly advocate for issues linked to Catholic Social Teaching.

Respect Life - The “seamless garment is a metaphor for a consistent ethic of life, one which stands for the protection of the right to life and for the promotion of all the rights which enhance life, from the womb to the tomb.” These words, from the late Cardinal Joseph Bernardin (1983), reflect our approach to life issues. We strive to respect all life from womb to tomb by adopting a consistently compassionate manner toward all persons who struggle with life issues and decisions.

Global Outreach

Sister Parish Committee - The Cathedral of the Assumption and St. Louis Parish in Jeremie, Haiti began a sister parish relationship in November of 2000. The main focus of our sister parish relationship is the

exchange of each other's gifts, talents, and spirituality. The Sister Parish Committee is actively responsible for maintaining high level of communication between the two parishes; working closely with the priest and parishioners of St. Louis to create awareness and identify issues of the Haitian people, support the St. Therese Montessori School lunch program, bring clean water, health/hygiene training and electricity to the school, and develop a partnership with local artisans for producing and selling Haitian art.

Administration & Finance

Parish Office – From time to time, help is needed to prepare bulk mailings, bulletin stuffing, and other large projects. Time Commitment: Varies according to activities, but falls within 9 am - 5 pm Monday through Friday.

Special Services - There are times when special skills are needed for specific tasks. The skills needed include plumbing, carpentry, electrical, painting, etc. Also needed are computer troubleshooters. Time Commitment: Varies according to need. Please list any skills or services you would be willing to share.

Parish Council - The Parish Pastoral Council participates with the pastor and the people of the Cathedral parish in prayerful reflection on the parish's mission and ministry. It serves as a consultative body to the pastor; collaborates in formulating policies; serves as an instrument of planning and evaluation of parish direction; leads processes for involving parishioners in the mission of the parish and establishing goals that witness to Gospel values; and fosters effective communication within the parish. Parishioners may nominate themselves or others for the six at-large positions on the council. The parish will be notified concerning the selection process when new members are needed. Time Commitment: Three-year commitment with meetings on the third Thursday of each month. Additional time may be required for special meetings and committees.

Technology Team – The Cathedral is blessed to have a rock solid team of volunteers with extreme expertise in technology. They set up, maintain, update, plan, and guide us in all things technological – phone system, internet, computer, server, web site, software.

Formation

Children's Religious Education – Classes meet on Sunday mornings from 10:30 am to 11:45 am, August through April. Preparation for the Sacraments of First Communion, First Reconciliation and Confirmation is provided as part of the formation classes. Adult volunteer catechists (teachers) in the weekly education and sacramental preparation classes are the backbone of the Religious Education program. They commit to an entire school year, creating and carrying out lesson plans at the Sunday morning classes. Volunteers may also be needed to work with children with special needs. Additional on-call volunteers are needed as chaperones for events and field trips, to organize events, bring in snacks for events, sending cards to students on special occasions, making First Eucharist banner, etc. All volunteers who work with children are expected to have a background check by the Cathedral, and take part in a brief workshop to ensure the safety and protection of children in any program at the Cathedral. Time

Commitment: Catechists - One hour class time plus preparation time per class. Training is available. Teacher assistants - may be needed to help in classrooms, and substitute teachers may be needed as well. There are opportunities for one-time event or longer term involvement. Other volunteers – as needed per event.

Youth Group - The high school group meets on Sunday mornings from 10:30-11:45am in the Patterson Education Center to talk about challenges of faith, justice, and community. All students are encouraged to get involved outside of Sunday mornings, too. We have some awesome events throughout the year, including attending area youth Masses, so watch the calendar for opportunities.

Infant Baptism Preparation Team - We celebrate Baptisms during Sunday Mass and on Sunday afternoon several times each year. Parents participate in a Baptismal preparation class and rehearsal. Parents who have already attended the Baptism preparation class and others are encouraged to volunteer as leaders. Volunteers are also needed to assist the presider during the Baptismal ceremony.

Art & Soul - The practice of art can put us in touch with our soul – the creative process engages our intuition and opens doors for dialogue between our inner and outer selves. It helps us to see the world through different eyes. When we see the world differently, as artists must, we discover the inner-relationships and possibilities never seen before. Art can be learned by anyone and can become a vehicle for stimulating and nurturing our spiritual growth. Taught by Mary Kay Tubello, the Art Class is held on Wednesday evenings.

Adult Formation Opportunities - Throughout the year, there are offerings in which you may wish to participate. Watch the bulletin and website for details.

Stewardship

Stewardship, by definition, is the sharing of the time, talent, and treasure that God has given us. It is a way of life, an understanding that “God owns it all,” the knowing that we are recipients of many unearned gifts and a faith response based in gratitude. With that in mind, stewardship calls us to receive God’s gifts, to be accountable and to share these gifts gratefully with others. Your offer of time and talent and treasure is greatly needed by the Cathedral parish. Worship services and special events cannot happen without the generosity of many. As the parish benefits from your help, you too will benefit from the life-enriching rewards of stewardship.

Stewardship Committee – This committee supports the theology and practice of stewardship by identifying opportunities and inviting the parish to make commitments of time and talent. It is

responsible for coordinating stewardship messages, parishioner time and talent discernment opportunities, as well as the subcommittees of the Bishop Flaget Society (Planned Giving) and the Welcome to New Parishioners Team.

Bishop Flaget Society (Planned Giving) – The Bishop Flaget Society is an association of men and women whose generous gifts to the Cathedral of the Assumption will help endow the tradition of outreach to the community, the mission of service to those in need, and the liturgical, spiritual, and educational ministries begun by Bishop Benedict Joseph Flaget.

Welcome to New Parishioners Team – This team of parishioners welcomes new members and can share their knowledge of ministry and other opportunities at the parish that new members may wish to explore.
