

The Sunday Evening Choir Is Recruiting!

**The Cathedral Singers need
YOU**

(Over for Membership Information)

The Cathedral Singers

The Sunday evening choir, *The Cathedral Singers*, is actively recruiting prospective new members to begin singing with us when we return from summer break in September.

You don't have to be an accomplished musician to sing in the choir. You need an ear for music and harmony, yes, but you don't have to read music. And don't worry—it's not a lifetime commitment. After a few weeks of rehearsal, we can decide together about your participation. The choir is obviously not the only opportunity for ministry at the Cathedral.

We have fun! Just ask anyone who has been in the choir through the years. Many long-lasting friendships have formed from the fellowship we have shared. And being in the choir gives you a wonderful opportunity to share the liturgy in a very special way--through your gift of music.

We rehearse on most Tuesday evenings at 6:30 P.M. We need all vocal parts, but have you noticed that there are currently only **FOUR MEN** in the choir?! Please, if you sing tenor or bass, we are reaching out to you especially.

So think about it! Call Larry Love, Director of Contemporary Music (657-5228), or stop and speak with him on Sunday evening. Please let us know if you're interested **NOW** so we can prepare for you in September.

We need you!
