The Warning

Testimonies and Prophecies of the Illumination of Conscience

Christine Watkins is a popular Catholic author and keynote speaker. Formerly an anti-Christian atheist living a life of sin, Watkins began a life of service to the Catholic Church after a miraculous healing from Jesus through Mary which saved her from death. She also attributes her love of Mary to her trip to Medjugorje. She is the author of over five very popular books. Mrs. Watkins has reintroduced an ancient and powerful Marian Consecration to the world through her book, *Mary's Mantle Consecration*. Her conversion story can be found in the book, *Full of Grace*.
