

Are you looking for the  
Christ Child?

## Advent Retreat

Led by Deacon Chris, Melani & Noah McDonell

Saturday, December 4, 10 am—2 pm

In person or via zoom

**A**re you looking for the Christ child? You will find Him in The Manger. You will find Him in Church. But you are also likely to find Him in the most unlikely of places... Come wonder as we wander in our search for Spiritual Presents that transform everything. Within a meaningful encounter with God we will explore the manger. Through prayer, traditions, and companionship, we will journey together towards what our souls long for... to witness God's Love be born to this Earth. Discovering the most extraordinary in the most ordinary...watch the most simple mundane corners of our home be illuminated by the Son ...or the monotony and stress of the screens of our computers reflect the pure joy which manifests the gift of the Holiest of Nights...in person or online watch how we retreat from the holiday madness and carry within us instead the ability to reimagine current celebrations of faith and hope that bring peace to our own personal rituals, spaces and to those blessed to receive!
